Join us to rock and raise money for the Cancer Association of Shelby County until October 4th.

About the Cancer Association of Shelby County

The Cancer Association of Shelby County, which began in 1936 with the formation of the Women's Field Army against cancer, operates both a thrift store and an eBay store to help raise funds in support of their cause. Their mission is to "help improve the quality of life by being sensitive and supportive to the cancer patients of Shelby County financially, personally and spiritually."

Grand Opening and Membership Appreciation Day

Have you had a chance to stop by our new Shelbyville office? We are so grateful to have our new location in Shelbyville. We had our Grand Opening and Membership Appreciation Day back in July with a great turnout.

We believe that this will be great for our credit union and bring many more opportunities for us in the future as far as growing our credit union.

We appreciate everyone's support!

Hydrocephalus Walk

As of of September 27, 2019, we have raised \$1075 for the Hydrocephalus Association. This will be our 5th year to participate in the Hydrocephalus Walk.

About the Hydrocephalus Association

According to the Hydrocephalus Association website, "The Hydrocephalus Association serves as the primary nexus for research on hydrocephalus, a condition defined by an abnormal, excessive accumulation of cerebrospinal fluid (CSF) within the cavities of the brain."

2. Endorse your check like this:

Example: John Doe (your signature)[payee signature(s)]
For Mobile Deposit Only
Harvester Financial CU

3. Snap the pictures of your check.
4. Click Submit.

Recent government regulations have made it necessary to endorse the back of the check with "For mobile deposit only" in addition to your signature.

Mike Snider, from USA Today, posted an article explaining more reasoning for why financial institutions need this phrase. If you would like to learn more, [click here](#).

Local Service. Global Reach.

Harvester Financial Credit Union Local Service. Global Reach.

On October 17, 2019, Harvester Financial Credit Union will join 56,000 credit unions around the world in celebration of International Credit Union (ICU) Day®. We will have light refreshments, wall calendars, and pocket calendars to celebrate at both locations.

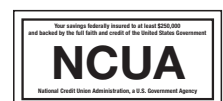

There are 200+ million credit union members around the world—more than 100 million in the U.S. alone—and Harvester Financial Credit Union joins them in celebration of the not-for-profit cooperative spirit that all credit unions share.

The cooperative spirit has led to life-changing opportunities for people all over the world who've wanted to start a small business, own a home or continue their education but were denied access to other financial institutions. In many parts of the world, people's first taste of democracy is through their credit union, where "one member, one vote" is the governing structure.

At its most basic level, a credit union is people pooling their money to provide each other with affordable loans—it is literally people helping people. This is why Harvester Financial Credit Union celebrates ICU Day. Because credit unions empower people, wherever they are in the world or life, to take control of their financial future.

The public is welcome to stop by at either office and celebrate with Harvester Financial Credit Union, a movement that concerns itself with the financial success of all people.

New Employee

My name is Cortney and I'm one of the new Member Service Representatives at Harvester Financial Credit Union. I'm a mother of two boys. Tristian, who is 10, keeps me busy with all of his activities. My other son would have been 8, but we lost him to acute myeloid leukemia almost 6 years ago.

Tristian and I do fundraising in memory of his brother, Chase for Riley Children's Hospital. Our biggest fundraiser is to provide a large pizza party for all of Riley.

In addition, I'm also actively involved with my church.

I'm excited to meet our members.

Fun facts about me: I love Nascar, love watching basketball, and can eat Mexican food everyday all day.

New Employee

My name is Paula. I recently hired in as a MSR, and this is my first time in the banking world. I'm very excited to be a part of the Harvester family and I am eager to see what's in store for me. My goal here is to be a part of the team and be here for a long time.

One thing you'll probably learn about me is the importance of family. My grandpa means a lot to me and so does my boyfriend Khalef. I spend most of my time with them.

Fun facts about me: I have 2 cats, Plut and Noodle, and one crazy ferret named Pebbles.

Tips for Saving in October for the Holiday Season

Fall is here! Along with Fall, comes the official start to the holiday season, beginning with Halloween. If you're planning on dressing up, decorating, or throwing a spooky party this year, expenses can add up quickly. Here are some money saving tips to help you get the most bang for your buck this holiday season.

- 1) Reuse your decorations from previous years. Recycling decorations can help you save both time and money. You can also search the internet for DIY Halloween/Holiday decoration ideas. There are tons of free resources available to help you save along the way.
- 2) Grab some friends and have a DIY Costume Making Party! Take a look on Pinterest, Google 'DIY Halloween Costumes', check your local Goodwill, or thrift store to find cheap items you can pair with items you may already have in your closet for a fun, inexpensive, or even free costume.
- 3) Be real with your kids. If you can't afford a store bought costume, discuss alternatives with your children. Encourage them to use their imagination and creativity to help make costumes from things they have in their closets and items around the house.

Remember, having fun and looking spook-tacular doesn't have to cost an arm and a leg bone. Stay safe and have a scary good Halloween!
